Legion Accuses Council Of 'Subversive' Tactics

City of Campbell officials were accused of "subversive" tactics and "political gerrymandering" by the West Valley American Legion Post N. 158 Monday night.

Although the accusations failed to halt the routine annexation procedure, City Attorney Joseph Bonacina suggested that before the Council took final action, on May 20 (second reading of the ordinance), he would rule on a legal technicality concerning the annexation proceedings raised by the Legion's attorney, Edwin A. Williams, who was present at the meeting.

The charges, more or less a repetition of others previously made by the Legion, were contained in a letter, addressed to the City Council. In the letter the Legion protested the annexation proceedings that would bring into the City a section of uninhabited territory at the southern city limits on E. Parr Ave. The letter was signed by Rex A. Kaber, adjutant of the Post.

The Legion only owns approximately two acres of the 33 acres involved which is a part of a series of annexations that has added 200 acres to the City of Campbell in the general area between the Southern Pacific Railroad and the Los Gatos Creek along E. Parr Ave. The entire section is planned to be developed into an industrial park and the annexations by the City have been conducted toward that end. The section protested by the Legion is the last in the series which fills out the entire area.

The Legion obtained the blessing from the County Planning Commission to operate the clubhouse on the property after a prolonged hassle over moving a building (the former gun clubhouse) onto the lot.

Originally the parcel in which the Legion clubhouse is located was a part of another annexation move by the City which was abandoned when it was reported that 12 voters resided in the area. Under the law, to be considered "uninhabited", there must be less than 12 voters, otherwise an election must be held. The area then was divided into two separate annexation parcels.

It is this question of how the original proceedings were "abandoned" by the City that has been raised by Attorney Williams and has sent Bonacina scurrying to his law books. Williams maintains that the City acted illegally in this instance because the original action had not been terminated.

The Legion, which controls only 13 per cent of the property involved also claims in the letter that this action by the City was a "devious step" and the real purpose was to prevent the Legion from operating a clubhouse.

The paragraph which makes the most violent accusations reads in part: "That manipulations and the revision of annexation proceedings covered by the Resolution divides the territory into segregated parcels and constitutes POLITICAL GERRYMAMDERING in an effort to evade and nullify the laws of the State of California in reference to annexation of territory by municipal corporations and is illegal and SUBVERSIVE."

This Tells the STORY

The Campbell Press gratefully acknowledges this week the first contributions to the "Bring Back the Chinese Girls" fund.

The Press has underwritten the cost to bring the Chinese Girls Drum Corps to the Old Settlers Day parade on Sunday May 19, but suggested that, if any individual or organization wished to help, The Press would be happy to share with them -- financially.

To Steven 8, and his sister, Cathy, 11, son and daughter of Mr. and Mrs. Harry Story, go the honors of being the first to contribute. Stevie personally brought in $2 from his and Cathy's allowance because, he said, they have always liked parades and they knew it takes a lot of money to put one on. They, too, like the little Chineese Girls drum corps

Although it was their youngsters own idea to give their allowance, Mr. and Mrs. Story have also contributed a $10 check on their own to the fund.

The Press is pleased to tell this story of the Storys.

District to Open Bids On Building Projects

Bids for three portable classrooms for Monroe School will be opened Friday, C. E. Bradley, business manager of the Campbell Union (elementary) district, reported this week.

Bradley also said that bids for the new Blackford School will be opened on May 28. The business manager revealed that the Bank of America has purchased $616,000 of the district bonds which will finance the portable rooms and the Blackford School, leaving a balance of approximately $100,000 to qualify for the next project.

Both Laurance J. Hill, high school district superintendent and William C. Henley, elementary chief, were in Sacramento this week

WHERE THERE'S SMOKE THERE'S FIRE . . . Flames last Saturday about noon practically destroyed a duplex at 68 Gilman Ave. One side of the duplex occupied by Theodore Dethrow was considered a total loss. Mrs. Tyner Ball occupied the other side. Damage estimated at $4000 was done by the fire which is believed to have been caused by a defective flue. Nine volunteers and the chief with the regulars answered the call. —Campbell Press photo

Trustee Election Ballot Offers Voters Wide Choice of Candidates

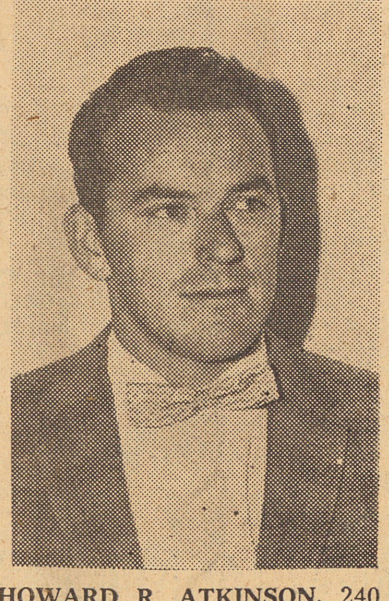
Voters in the school districts all over California will go to the polls on Friday, May 17, and elect trustees.

In the local area, two vacancies exitst on the Campbell elementary board and six are running for the jobs. There is no incumbent in the race as both L. E. (Bill) Means and Don Hartman, present trustees, have declined to serve again.

The candidattes offer the voter a wide choice in professions with two attorneys (Norman A. Stoner and Harrett W. Mannina); a general contractor (Howard R. Atkinson); a market owner (James Avila) and a government photographer (Bernard Barrett) filing for the offices.

In the high school race five are seeking the two vacancies. One incumbent, Joseph V. Gomes, who has served on the board since 1941, is in the field which includes a rancher (William L. Murphy); an attorney, Ephriam Adams); an administrative executive, (Gregor Donal MacGregor) and a school teacher (Willar Reid McAtee).

The Campbell Press presents in this issue a pictorial review of the 11 candidates for trustees. On this page are the elementary board candidates. The high school candidates will be found on page 2.

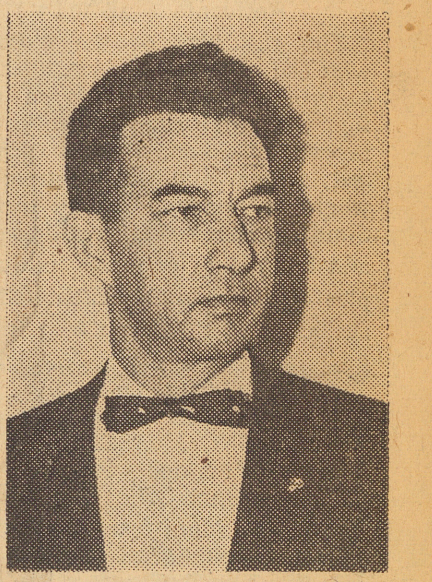


HOWARD R. ATKINSON, 240 W. Campbell Ave., Campbell, 32, general contractor. He has lived in this area for five years, coming here from Orinda, although he grew up and attended school in the Fresno area. He was in the Navy in World War II. He and his wife, Kathryn, have four children, Jerry, 10, Kathy, 8, who attend Rosemary School and Howard, Jr., 5, and Bonnie, 4. He is a director of the Campbell Kiwanis Club and is taking an active part in the construction of the Youth Center at the Congregational Church.

He feels that the Campbell school district is one of the finest in the country and wants to keep it that way. If elected, he plans to arrange his schedule so that he can devote ample time to school affairs. With four youngsters in school next year, he feels he has more than a passive interest in the school district.

BERNARD BARRETT, 661 Emory Ave., Campbell, 41, a photographer in the Ames Laboratory at Moffett Field since 1944, he is also a business consultant in management and tax problems. He has lived here for 12 years, coming here in 1945 after service in World War II. He is California Wing secretary of the Air Force Association and has served as president of the National Federation of Federal Employees. He was graduated from Balboa High School, San Francisco and attended University of California. He and his wife Lorraine, have three children, all girls. Sandra, 12, attends Campbell Grammar while Randy, 8, and Kim, 6, got Cherry Lane.

He has always maintained an interest in school affairs, he desires to take a more active part in the work in the district. He feels that more emphasis could be put on the basic studies in the elementary school level and is interested in a remedial study program for the basic courses.

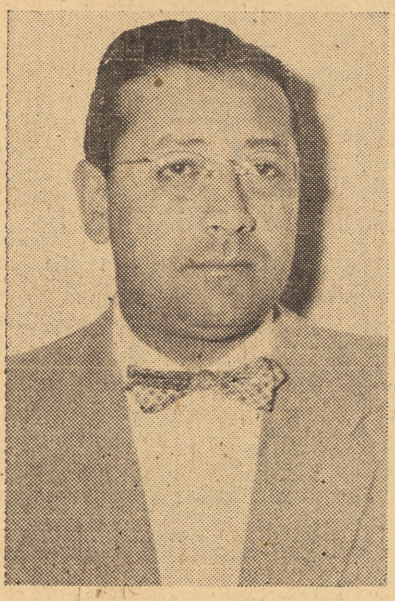


ALEXANDER MOISENCO 18520 Woodbank Way, Los Gatos, 41, electrical engineer. He has lived 26 years in this area and is a graduate of Campbell High School. He attended San Jose State and is a graduate of the University of California. and his wife, Betty Fran have a son, Douglas, 9½, attending Quito School and a daughter, Christine Ann, 4. He served in the Navy in World War II and is still a member of the active Naval Reserve. He is a member of the Saratoga-Kiwanis Club of which he was secretary last year.

He has a sincere interest in the educational facilities and program in this area. He also feels that the area in which he lives (Quito-San Tomas) should be represented on the board.

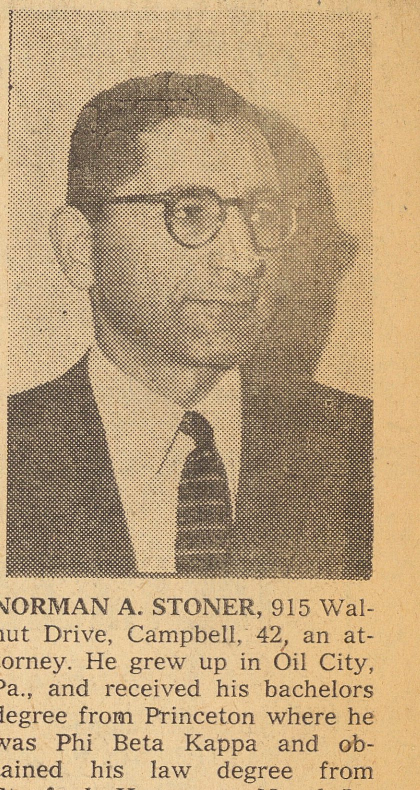
JAMES V. AVILA, 1677 Isabel Drive, San Jose, 40, owner and operator of two markets. He is a native Californian and a graduate of the Oaklands schools and has lived in the area since 1939. His wife, Alice, was born and grew up in the San Jose area. They have one son, Everett, 17, a senior at Campbell High. He is a past president of the Santa Clara County Better Business Bureau and Willow Glen Kiwanis Club.

He feels that the trustees have a grave responsibility in the obtaining of good teachers because education of the youngsters is still the paramount question today. Often the quality of teachers has been over looked, he thinks, because some other need has appeared to be more important at the time.



HARRETT W. MANNINA, 1470 St. Francis Drive, San Jose, 37, attorney. He was born in San Jose and attended San Jose schools, graduating from San Jose State and then Hastings Law College of the University of California. He has practiced law for 12 years. He and his wife, Barbara Lee, have a son, Harrett W., Jr., 7, who attends Dover School and Susan Lee, 5½. They have lived in the Campbell school district for the past four years. He is a member of the Twi-Lite Optimist Club, Civic Club and Elks.

He feels he has the necessary time to devote to the school board and that his background gives him the necessary qualifications to do justice to the job. He realizes that school business has become "big business" and should be administered as such.



NORMAN A. STONER, 915 Walnut Drive, Campbell, 42, an attorney. He grew up in Oil City, Pa., and received his bachelors degree from Princeton where he was Phi Beta Kappa and obtained his law degree from Stanford. He was a Naval Intelligence officer during World War II and came to the Campbell area in 1946. He and his wife, Shirley, have three youngsters, Robert, 9, Marty, 7, who attend the San Tomas School, and Douglas,3. Mrs. Stoner, who is originally from New Bedford, Mass., is a graduate of Smith. He is a member of the Campbell Rotary Club. He served as president of the World Affairs Council in San Jose and is a member of the Campbell Chamber of Commerce. He has maintained a part-time law office in Campbell since 1948.

With two children of school age and one almost there, he feels that he wants to do his part to help promote the highest quality of education possible.

Bonds, Write-In Feature Vote in Two Districts

A bond issue in the Cambrian school district and in Moreland a write-in candidate, in addition to the four who have already filed, feature the elections in the two districts on May 17.

In addition to the trustees voters in the Cambrian districts will cast their ballots on two other questions (1) approval of state aid to the amount of $950,000 and (2) to bond the district for $500,000 in order to reach the maximum of bonding capacity.

Jack M. Farnham, 15572 Woodard Road, Los Gatos, is the incumbent running for reelection and is opposed by Mrs. Rosemarie G. Maxwell, 195 Leigh Ave., Campbell.

In the Moreland District, four names of candidates for the one vacancy that exists are on the ballot and, in addition, Nicholas Colombo, has announced himself as a write-in candidate. There is no incumbent in the race.

The four candidates are George H. Carlton, Jr., Gene Riordan, James J. Jensen and James F. Riley.

All candidates have been invited by the Citizens Advisory Committee to a special district-wide meeting at the Moreland School cafetorium next Tuesday, May 14. Each candidate will speak briefly on his aims and objectives. Sal Millan will be the moderator.

Colombo announced that he had planned to file if no incumbent would

Planners Settle Zoning Controversy

Only a slight discord was evident among the protesting parties at the Planning Commission Thursday when the Planners settled two controversial zoning change issues that had been pending before them for several meetings.

The "sweetness and light" attitude was in sharp contrast to previous meetings when residents of Sunberry Drive vociferously objected to the application of Philip Sondeno for a zone change so that he could build multiple dwellings on Sunberry Drive on the street between Kamson Way and Hamilton.

Residents Satisfied

The residents of the street who had attended in force three other meetings appeared satisfied with the "compromise" arranged by Commissioners Richard Salice and Les Harmon whereby Sondeno would end Sunberry Drive with a cul-de-sac and build only one-story multiples on Kamson Day facing the residents of Sunberry who felt that multiple dwellings and a through street to Hamilton would detrimentally affect their property values.

The Sunberry delegation, led by Mrs. W. P. Mertsching, 439 Sunberry, Dick Lee, 197 W. Ken Circle and C. M. Johnson, 440 Sunberry, after the decision, warmly thanked the Planners for their interest in the matter.

Dahl Gets O.K.

In another action, which had an indirect bearing on the Sunberry protests, the Commissioners approved the application of J. M. Dahl for a zone change for property extending from Winchester Road to Dunster Drive. Dahl plans to erect a medical center on the property with a multiple dwelling zone acting as a buffer between the single-family dwelling zone and the commercial.

Originally the zone-change application included property owned by S. Prestigiacomo which extends to the projected Hamilton Ave. Before the Commission acted, it was announced that Prestigiacomo was withdrawing his portion of the application.

Other Actions

In other actions, the Commission:

1. Continued the hearing on the approval of plans of William King for a 14-unit apartment at Harrison and Central so that the plans could incorporate the suggestions of the Planners. Paul O. Freghette represented King, who was ill, at the meeting.

2. Approved the plans for L. W. Phillips for a 24-unit apartment building on the east side of Dunster Drive.

3. Approved the application for a zone change by Cosmo D. Perrotta (from residential to commercial) for property located at Garrison Drive and Winchester Road.

4. Continued the hearing on the approval of the Quito Rancho tentative subdivision map (based on verbal communication from the parties concerned) with the stipulation, however, that no action did not mean approval and that unless a written request for continuation was received by May 10, the Commission would act on it as submitted.

5. Approved the new subdivision map of Sondeno for Sunberry Gardens, subject to recommendations of the city engineer.

Meeting Change

6. Recommended that meeting nights of the Planning Commission be shifted from Thursday to every other Monday, alternating wih the City Council (The City Council, subsequently, has informally indicated that it would not favor such a change as often the Council continues meetings from one Monday to the next)

7. Approved the new Downing Ave. extension on the Route 5 Freeway plan.

8. Heard from Commissioner Jim Tomlinson, industrial committee chairman, that the long-awaited meeting between Los Gatos and Campbell city officials on the requirements for zoning of the industrial area south of the city limits (on E. Parr) would be held Tuesday, May 14.

Fun to Reign at St. Lucy's Two-Day Festivities

Fun and excitement will be the order of the day for all who attend St. Lucy's annual Festival-Barbecue Saturday and Sunday June 1 and 2, at the new parish center, Winchester Road and Kennedy Avenue. Activities both days begin at 1 p.m. Games and entertainment for children will be special features of the opening day's program and "Chuck" Augustine, athletics chairman, has scheduled an afternoon championship baseball. There will also be a pony ring for young riders, diversified field events, a pie-eating contest, plenty of refreshments, and to top it all, some lucky boy or girl will be awarded a brand new bicycle during the afternoon.

Evening adult entertainment will be provided by Joe Tomasello and his orchestra. Admission will be free and the public is invited.

A barbecued chicken dinner will be the big feature of Sunday afternoon. Once again, Johnny Lauro has engaged the services of Chef Carl Blaisdell whose magic formula insures every guest a delectable adventure in outdoor eating.

Highlight of Sunday evening will be the bestowal of the following awards: a new 1957 Ford Station Wagon, a 24 inch TV set, an electric rotisserie, an electric skillet, and the intriguing "surprise package".

Father Denis Kennelly, pastor of St. Lucy's, extends an invitation to everyone to join the fun of these two festive days.

PENDING INVESTIGATION

Johnny Ray Ball, 21, of 64 Gilman Ave., Campbell is in custody at the County Jail on an alleged narcotics charge pending further investigation, Campbell police reported. Ball was picked up on the narcotics charge by the Campbell police when the sheriff's office was investigating him on another charge and possible evidence of marijuana was found in the rear of his home.

Candidates In High School Board Race

EPHRAIM ADAMS, 14984 Ronda Drive, San Jose, 55, an attorney with offices in San Jose. Graduate of both Stanford and Stanford Law. Is commander of the Charles F. Wallace Post, American Legion and a member of the West San Jose Kiwanis Club.

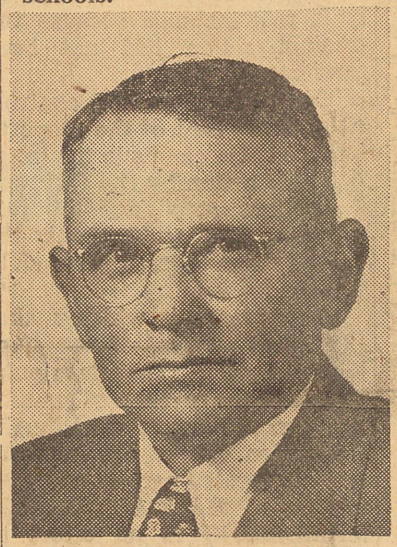
He feels that it is the duty of every citizen to take an active part in public affairs and firmly believes that the public should receive full value for every tax dollar spent on schools.

GREGOR DONAL MacGREGOR, 6 Herbert Lane, Campbell, 36, administrative executive, Owens-Corning Fiberglass. A graduate accountant with honors from San Jose State in 1947 has been with Fiberglass for 6½ years. Served in Naval Intelligence in World War II. He was born in San Diego and came to this area in 1939 to start San Jose State, finished in 1947 after time out for military service. Recently moved back to San Jose after being transferred to Los Angeles for four years by Fiberglas. He and his wife, Bernice, have three children, Rob Roy, 13, and Malcolm Douglas, 12, who attend Campbell Grammar, and Heather, 4.

He maintains that the Campbell school system is superior to almost any he knows of and he wants to do everything he can to help keep it that way. When they recently moved back to this area they particularly searched for a home in Campbell because they wanted their children to have the advantage of the local schools.

WILLARD REID McATEE, 705 Almarida, Campbell, 33, teacher in the Peter Burnett Junior High in San Jose (industrial arts) for eight years. Graduate of San Jose State and is completing work on his master's degree. His wife, Elizabeth, is also a teacher in the Cupertino schools. Served in the Army in World War II for three years and has been active in the Air Force reserve for the last six. He was born in Oregon and attended elementary and high schools in Washington.

Has always been interested in community affairs and feels that a teacher's viewpoint would give a good balance and would be helpful on the board. Has no grievance against the present administration or trustees. He feels that building functional schools is important and that complete construction of schools is better than piece-meal building which has been the case in some districts.



JOSEPH V. GOMES, 286 Hamilton Ave., Campbell, 57, rancher, and a graduate attorney from Stanford. (Incumbent) He has served on the board for 16 years. Was born in San Jose and has lived in Campbell since 1901, graduating from both Campbell Grammar and Campbell High. He and his wife, Jennie, have had seven children (six living) Their son, Jerry, is now in the service and their youngest daughter, Joan, 7, attends Hamilton. Their four other daughters, Jeannette, Jean, Joyce and June, are all graduates of Campbell High.

He feels that the Campbell High School district program compares with the best in the county and is proud of the accomplishments of the district in meeting the tremendous growth problem and still keeping the district tax base as reasonable as any other area.

WILLIAM L. MURPHY, 14942 Larga Vista, Los Gatos (south of Blossom Hill Road at the end of Union Ave.), 52, rancher. He has ranched in this area for 33 years, raises apricots. A native Californian, he is a graduate of Campbell High School. He and his wife, Frances, have two sons Rayburn, 20, a Campbell High graduate and Bill, a sophomore at Camden.

He feels that the growth in this area will continue which especially affects the high school situation. Keeping up with this growth is one of the most important problems facing the district. He feels that the present administration and trustees of the district are doing, and, have done, an excellent job in their conduct of district affairs.

Hatchery Finally Gets Zone-Change

Perseverance paid off Monday night for Mr. and Mrs. Burt L. Burda who have tried for almost a year to have the zoning changed of their property at 60 Mission Way (the old Campbell Hatchery) so that it could be developed commercially. The section is in a residential zone and the hatchery, long idle, had been operating under a use permit.

Thwarted by the Council in their first attempt to get the zone change, the Burdas were more successful Monday when the Council approved the latest recommendation of the City Planners to zone it commercially. The request this time only included the hatchery property and an access to W. Rincon.

The Burdas' request was handled by William H. Harris, San Jose attorney. His plea was supplemented by Mrs. Florence R. Weed and Mrs. A. G. Knowles, neighbors, who told the Council they felt the zone change would benefit them.

The Burdas and their counsel were commended by the City Council for their patience and cooperation during the months it took to work out the best solution to the problem.

If Door Is Open, San Jose Enters

Better shut all the doors or else.

San Jose is coming in Campbell's back door with its annexation thrusts.

This was revealed Monday night when the City Council was notified that an annexation move by San Jose cuts through the uninihabited area between the new City of Saratoga and Campbell's city limits on the west and south of Campbell Ave.

This section was not covered by the "gentlemen's agreement" between the two cities at the time as Saratoga lines were not well defined.

Mayor John M. Chargin was directed by his fellow council members at the suggestion of Councilman Richard Morton, to contact the San Jose Officals and reach an understanding for the west side before San Jose gobbled up more available territory

Campbell Defends SCVAL Track Title Tomorrow

GOOD LUCK TOMORROW NIGHT . . . Monty Nielsen (left) Buc speed burner shakes hands with Mike Profit, stellar weight man, as they await the start of the SCVAL track finals tomorrow night in Los Gatos. Both qualified on Tuesday in the preliminaries in two events. Cheering them on in the background are varsity cheerleaders, (left to right) Lina Michi, Pat O'Brien and Donna Whitaker.

On Tuesday Campbell qualified for 13 spots for the Santa Clara Valley Athletic League's track and field championships which will be held in Los Gatos tomorrow. The field events get under way and the track finals begin at 7:30 p.m.

With the 13 men the Bucs will valiantly try to defend the SCVAL crown won last year but Fremont, having qualified 10 men for 20 spots, appears to be the team to beat.

Los Gatos, undefeated in the regular dual season meets, placed in only 12 spots as did James Lick. Washington qualified more mene than other teams and followed Fremont with 12 men in 14 spots.

Campbell placed men in the 100 and 220 (Nielsen and Shenefiel), 880 (Bridge and Hoffman); relay team, hop-step-and-jump (Hill); broad jump (Wilson); high jump (Cooper); pole vault (Tuttle); shot put and discus (Profit) mile (States).

Camden High did surprisingly well with speedster Ramos show his heels in the 100 and 220 as did Norden in the mile in their respective heats. Gold also tied for first in the high jump. Otner Camden qualifiers included, Margraves(100); Rocha (440); and Larson (high hurdles).

Fremont's lightweights topped the B qualifiers with 25 spots to 15 for second place Mountain View.

Preliminaries for the C and D trackmen were held yesterday afternoon.

Mike Profit, Campbell's star weightman, hampered by a sprained finger, only tossed the shot 51-4 Tuesday but his coach, Bill Priddy, hopes he will be ready for a better effort on Friday.

Bucs Win First SCVAL Swim Championship

Steve Skold led the Buc attack last Saturday afternoon at James Lick with his record 50 yard and 100 yard freestyle records to give the Bucs their first SCVAL swim title.

Skold churned a 24.1 clocking in the 50 yard freestyle race to break the old standard of 24.8. In the 100 yard event Skold set the pace with a blistering 52.4 effort for another meet record.

Campbell placed a man in every event to lead runner-up James Lick by 19 points with a 86½ to 67½ score. Santa Clara tallied 36 points to bring down the third spot with Washington, Fremont, Los Altos, Los Gatos, and Camden, following in that order.

John Duncan of Campbell tied with Owen of James Lick for the second spot behind Skold in the 50 yard freestyle. Duncan came through with the top spot in the 200 yard breaststroke followed by Dave Andre second and Doug Campbell fourth.

Mike Scroggins placed second in the 100 yard breastroke with Jim O'mura fourth. In the 100 yard backstroke event Jim Mitchell brought down the second spot with Jim Lewellen coming home fifth.

Campbell's relay team of Peterson, Campbell, Mallman, and Davenport paddled home with honors in the 200 yard freestyle relay and Campbell placed second behind Lick in the 200-yard medley relay.

Lowly Los Altos Blasts Campbell 7 to 5 in SCVAL Diamond Battle

By Richard Ferguson

Los Altos came up from the bottom of the league last Friday afternoon to hand the Buccaneers a 7-5 drubbing, giving the Bucs a 5 win 3 loss season.

Jim Cole started on the mound for the Bucs and was quickly blasted for three runs with his teamates hindering his game by committing four errors.

Los Altos lead-off hitter knocked the second pitch of the game through the center slot for a single and advanced to second on a bad peg from shortstop to second. One run crossed the plate on an error by the left fielder on a play at third.

Tony Ochoa started the Buc bottom of the inning off on the right foot by blasting out a double into left center field. Ben Lujan added to the Buc rally by knocking out the first pitch served up to him into the right field for a stand up double advancing Ochoa to third.

Ochoa stole home as Don Kitajima was taking the count and another run scored as Cordova, Corbus and McNabb took the free trip to first. John Kriewall went down swinging to end the inning with two runs across.

Los Altos went down easily in the top of the second when three singles were converted into a double play and a pop fly was snared by Dave LaBarbara

Campbell Netters Beat Los Altos

In preparation for the SCVAL finals at Los Gatos tomorrow afternoon the Campbell netters thumped the Los Altos racketeers 6-1 on their home courts last Friday afternoon.

Campbell will be represented at the finals by one singles player and one doubles team.

Gene Andres led off the Los Altos swamp by defeating Gary Hopkins 7-5,6-3 with Art Hill handling the number two man 6-4, 6-1. Terry Garrison stopped Jim Boyce 6-2, 6-2 while Bruce Johnson was handling John Polhemus 6-3, 6-0. Don Brown suffered he only defeat of the day.

In the doubles division Bill Powell and Bob Miakuysa defeated Alan Kirtley and Phil Spence in three sets 10-8, 2-6, and 7-5.

Council Passes Three Ordinances, Holds Four Hearings

Three ordinances (two for annexations and one on traffic amendments) were given final readings while four public hearings (two on annexations and two on zone-changes) were held by the City Council Monday nite in a long-drawn out session that lasted past midnight.

In addition, the Council scheduled three more public hearings for May 20. One will be on the street plan-line setback amendment approved by the Planning Commission and the two others will be on zone-change requests also approved by the Planners. One is asked by Cosmo Perrotta for property at Garrsion Drive and Winchester and the other is by Councilman Charles Rose for property at Latimer and Winchester.

Both the annexation ordinances pertained to property at the southern city limits on E. Parr in the industrial park area while the traffic ordinance amendment specified speed limits and other requirements for certain streets in the City.

In only one of the hearings (see separate story on Legion charges) was there any protest. In the other three, another annexation on E. Parr and for zone-changes for Mr. and Mrs. Harry Smith at 33 Sunnyoaks (from residential to multiple dwelling) and for Mr. and Mrs. Bert L. Burda, 60 Mission Way, the first reading of the necessary ordinances was given without a single objection.

In other action, the Council:

(1) Proclaimed the Week of May 5-11 as Goodwill Week at the request of the Goodwill Industries.

(2) Received and referred to Councilman Myron Fairchild a letter from William C. Henley, superintendent of the Campbell Union (elementary) District explaining that the school district objected to the proposed Route A of the Junipero Serra Freeway because it affected several schools of the district and hoped the Council would join in the protest of this northern route.

(3) Heard Philip Sondeno, developer of the Sunberry Gardents tract explain that he was submitting a new subdivision map because of the changes made in the original He said that the changes were an outgrowth of the "compromise" made before the City Planners as a result of the protests of residents in the area who objected to mulitple dwellings. He asked for consideration by the Council as to the cost of improvements that would be necessary by the change, although he admitted he was materially injured by the changes.

(4) Directed all the departments of the City to use the newly installed gasoline pump at the City Hall. Since it was installed only the police department has been pumping gas from it while the other departments have continued buying gas at various service stations.

Condemnations

(5) Directed City Attorney Joseph Bonacina to proceed with condemnation proceedings against the three hold-out property owners on Hamilton Ave., C. K. DeTracey, Fred F. Fellman and Robert C. Luhdorff who have not yet come to an agreement with the City on the price for their properties acquired by the city for the widening of Hamilton Ave.

(6) Stepped up the tempo for the budget sessions and agreed to meet twice weekly on this perplexing and complex problem.

County Democrats Meet, Eat May 21

A Santa Clara County-wide committee for "Democratic Party Night", Tuesday, May 21, was announced this week by co-chairman Wm. H. Lawrence and Robert F. Peckham. Lawrence is president of the County Democratic Council and Peckman is chairman of the County Democratic Central Committee.

They have named Lee K. Radner of Mountain View as general chairman of ticket distribution. He is being assisted in this area by R. W. MacDermott, 453 Komsthoeft (FR 8-3833).

"We expect a record turnout" said Radner, "when Santa Clara County Dems gather the night of May 21 at Lou's Village, 1465 West San Carlos St., San Jose, to celebrate the nation-wide-event. Proceeds from the dinner will be shared by National, state and Santa Clara County Demo organizations", He said. A five dollar donation is being asked of each participant.

Assembly Passes Version of State Budget by 59-14

-(CSN)- The assembly ended a marathon of debate this week by voting 59-14 for a $1.923 billion version of the 1957-58 budget bill of Gov. Goodwin J. Knight.

Before passage came, hovever, the lower house had a last fling at debating amendments to the budget bill, AB500 by Assemblyman Thomas W. Caldecott (R-Berkeley). The house missed by one vote in adopting an amendment which would have trimmed a $7.5 million beaches and parks program from the budget.

The beaches and park were put into the budget during a wild floor session last week. At the time, Caldecott said the "park-barreling" was of no avail as they would split up a total of nothing for the parks.

Tire Sale Backfires Second Time Around

A "customer" who purchased two tires on a credit card from Matt Davis, manager of Schoenbergers Shell Station, on Friday afternoon was foiled in his attempt to peddle the tires a few hours later in San Jose at a vastly reduced price through the fast work of Davis and an able assist of both the San Jose and Campbell police.

Suspicions were aroused by a San Jose service station operator when he was asked to buy the tires still in their wrappings at less than half their value. A check showed that the purchase had been made here on a credit card that had been lost. The police then got into the act.

Richard Martinelli, of Los Gatos, who did the "buying" and then tried to sell too soon, this week was referred to the Adult Probation Authority on a charge of petty theft.

Duane Pillette Has 4-1 Record

Duane Pilette of the San Francisco Seals pitched a good game Sunday against the Seattle Rainiers winning 8-3 making his season record four wins and one loss. This ties Pillette with Dorish.

The Detroit Tigers took five out of six this week keeping an even pace with the New York Yankees who also had a 5-6 record this week. Sunday the Yanks took a double header and the Tigers took one.

The San Jose Josox who started out holding first place in the CBL have been having a little tough luck and dropped back.

Let's all get out to the home games and bring them back up with our moral support.

A Bright Touch to the Parade

The Campbell Press, in an expansive mood, recently agreed to defray the expenses of bringing the Chinese Girls Drum Corps to the Old Settlers' Day parade on May 19.

The Press felt that these cute girls would add a great deal of color to the activities and was pleased to initiate the necessary steps, to-wit, guarantee the dough, that would mean their return.

We were willing to do more than our share in this respect because we feel that the Old Settlers' Day celebration here on May 17-18-19 is one of the most outstanding events of its kind in the country We want to do everything we can to assure the success of the celebration and we felt that the crowd-pleasing little Chinese girls add a bright touch to the annual event.

This is the 65th annual celebration and we feel that the traditions that have been built up in the past in the fete, the second oldest of its kind in the state are worthy of perpetuating.

We also feel that a colorful parade is one of the best means of making the day successful.

We had hopes that there were other organizations or individuals who might feel the same way and would like to lend a hand in the financial underwriting of the drum corps.

But apparently we figured wrong.

No organization or individual has come forth: so we will have to swing the deal by ourselves.

It is not that it will break us up in business, but it would have given us a warmer feeling of neighborliness had some group offered to share our gesture with us.

LATE BULLETIN: We did not draw a blank after all. This morning, after the above was set in type, Steve Story, son of Mr. and Mrs. Harry Story. brought in $2.00 as the first contributor, while Mr. and Mrs. Story followed with a $10 donation. Maybe we should have rewritten the editorial.

A Welcome Change

Despite the fact that we have lambasted the Planning Commission at frequnet intervals when we felt their efforts were a wee bit misguided or that their actions were not in keeping with the community's best welfare, we realize that the City Planners have, as a whole, been conscientiously striving to do the best job they know how.

We are pleased, therefore, to publish the following letter written to the Planners commending them for a job well done in the Sunberry Drive case.

We feel that the Planners can stand a pat on the back once in a while to make up for some of the slaps.

City Planning Commission, Campbell, Calif.
Gentlemen,

Thank you for the honest and sincere job that you are doing for the remainder of us residents of Campbell.

During these last few weeks while you pondered the future of Sunberry Drive, I've become increasingly proud as I sat in the audience. It is so very obvious that you gentlemen and Mr. Barret (a gentleman also) are trying very hard to do an honest, conscientious job, and to be fair to all.

There must be many evenings when you would prefer to be doing something other than attend planning meetings, and please know that your honest work is appreciated.

Sincerely, P. R. Angell, 363 Sunberry Drive.

Trustee Vote Coming Up

Voters in the various school districts throughout the state will have an opportunity on Friday, May 17, to vote for school trustees.

It is generally true that unless a controversy has been stirred up with one faction squaring off at another over some grievance large or small, the average voter fails to work up very much enthusiasm over a school board election.

In the Campbell elementary district there are six candidates for two positions and in the high school district there are five running for two spots on the board. (Pictures of candidates appear on page one and two.)

Despite the large number of candidates, there is no hot and burning issue at stake in the two districts: and thus it follows that the turnout on election dav probably will not set any record.

In the Moreland and Cambrian districts there is a possibility that issues will be raised and the vote will be proportionately greater for that reason.

No matter what district you are in, we urge you to vote on May 17. We think it is extremely important for you to take care in selecting the persons who govern your school districts.

Over the Years

By John D. Blaine

It has been proposed to lower voting age to 18. Our President is said to favor this. But what grounds are there for precisely age 18?

Well, the fact is that American laws both criminal and civil recognize a turning-point at 18, as everybody knows. This fact is usually accepted unthinkingly. But suppose we do some real thinking.

About six years after I became Campbell judge, or in 1933, I happened to find a book on the psychology of youth these ideas:

The normal boy of 18 will as a rule have a definite change of attitude. Where before he has been awkward and uncouth, he now manifests symmetry and grace. Where before he delighted in the concrete and physical, he now turns to the abstract and immaterial.

He was selfish as a child and self-absorbed; as a youth he is peculiarly sensitive to the influence of others. He responds naturally to what is beautiful and true. Great enthusiasms stir him; great ideas beckon him on.

This is the time, when all the perceptions are delicately alert, when all the impulses of life are surging upward, to make those enthusiasms lasting, to fix belief in a higher existence.'

Meet in Court

One day in my Campbell court work I happened to meet exactly this youth. However, if I had not read those lines I would never have recognized my opportunity. The traffic citation said this youth had driven through a hospital zone without due caution. The traffic officer who had arrested him said he was a chronic juvenile delinquent. He was a senior in San Jose high school but the class bad boy.

At home he was non-cooperative and rebellious. His father had a skilled trade and wanted his son to prepare for entering it. But with this idea the boy would have nothing to do. About all he cared for was speeding in the family car. Several times he had been certified to the juvenile court, but now he had turned 18 and this would be his first experience with an adult court.

Since I held court in my own house it was natural to meet the youth at the door and shake hands. He was obviously taken off guard. I was friendly and relaxed and he became friendly and relaxed.

I saw that here was a youth of graceful, athletic build, outwardly just the youth that I had read about. I would have to take what was inside on faith.

After a little preliminary talk I began, "I was a boy myself once, and I got into plenty of trouble. The only thing I liked was the boy' world. The boy's world seemed in conflict with the man's world."

At this approach of fellow feeling the youth looked amazed. I went on, "As for the traffic part, we young fellows had only bicycles in those days while older people used horses and buggies. It was fun to see a horse get scared and rise up on its hind legs, threatening to fall back on a buggy. Women would scream and sometimes horses ran away throwing people out."

I said we boys of my generation enjoyed all that, and we did. And I told of much else that was in conflict with the adult world, enjoyed by us.

Boy Becomes Man

Then I went on, "But I remember that when I was just about your age I suddenly decided that as a boy I had had my fling. I would grow up sometime and why not then? I hadn't yet heard the term, but I didn't want to be a case of arrested psychological development. So I made the change. And I was glad. And everybody around me was glad. I had become a different person."

The boy was now leaning forward in his chair and looking at me with great intensity. He was trembling and his face was wet with tears. Now was the time for me to plunge, to step out on the faith that it would happen.

For the first time I spoke of the citation and asked for his plea. He said that he was guilty. Then I said, "But you were guilty as a boy, a boy of man's age of 18. At this age I could send you to jail. But I won't. You are a boy no longer. Suddenly you have become a man, and I congratulate you and dismiss the case."

His face lighted up beautifully. He became all at once the very youth that my reading had described. His better nature was broken through. As he held out his hand on starting to go he said, "You will never hear of me giving anybody trouble again."

Since this is a true story I shall have to finish with the truth even if it seems too good to be true. Through the office's knowledge of the family I learned that the youth graduated from high school, took up his father's skilled trade, and demonstrated the fact of inward change in every way.

OUT on the LIMB

with

George Vierhus

We undertook quite an ambitious project when we decided to run the pictures and a little bit about each one of the trustee candidates for both the Campbell elementary and high school districts. Five are running for the elementary and six for high school board.

We thought our readers would like to see what the candidates looked like but we found only one of them (Joe Gomes) had an available picture. (We have a cut of Joe in our morgue already). So we had to "shoot" all the rest of 'em.

Scheduling 10 people to come in to be "mugged" at a time convenient to them as well as to us in a limited period was no little chore. Happily it worked out very well and we were able to accomplish our mission with a minimum of confusion in the two days we allotted for the task.

We make no claim to being a "pro" when we are working a camera so we were quite pleased when we got 10 for 10 without any retakes. That's a better batting average than we deserve really.

—o—

Actually our photo schedule was a very informal affair, sort of on a catch-as-catch-can basis and as it turned out, no two candidates were on hand at the same time although we hadn't planned it that way. We experienced no difficulty in getting the needed background material for each person. All in all we anticipated a great deal more difficulty than occurred.

We are quite proud of our efforts and we hope that our readers will appreciate it. All you have to do is to turn out and vote at the trustee election, May 17.

—o—

We were going to extend our visual coverage to the Cambrian and Moreland districts but we decided not to press our luck and so we quit while we were ahead.

We picked up little tidbits in our talks with the candidates that proved interesting to us. For example, we learned that Joe and Mrs. Gomes (Jennie) gave all their offspring names that began with "J" and Joe, who has served on the high school board since 1941, is a graduate attorney from Stanford but has never practiced, although he keeps up his yearly license. He has lived on the same ranch in Campbell since 1911 and was also a member of the first City Council.

Then we were quite impressed with the Scottish background of Gregor Donal MacGregor, also a candidate for the high school board. One would be hard-pressed to find more Scottish names than those of the local MacGregor clan. The youngsters are Rob Roy, Malcolm Douglas and Heather.

We also thought it quite interesting that Willard Reid McAtee, a teacher in the San Jose Unified system (Peter Burnett Junior High) is a candidate for Campbell high school board. A home owner in the Campbell area, he wants to take an active part in the community affairs. He feels that a teacher's viewpoint could be of assistance on many occasions in decisions facing the trustees.

A rancher, William L. Murphy and a practicing attorney, Ephraim Adams, complete the high school slate. Murphy has ranched in this area for 33 years. We thought an interesting sidelight on his candidacy is that his wife is a candidate for the Union elementary school board.

Adams, who has practiced in San Jose since 1948, spent some seven years in the army during, before and after World War II, in the field artillery. He was graduated from Stanford Law in 1927.

One of the unusual aspects, we thought, as far as a trustee election campaign was that all the candidates apparently feel that the Campbell school system is superior to most and they have no fault to find with either the administration or the trustees. Gomes is the only incumbent running in either the high school or elementary districts.

—o—

On the surface, at least, the same sweetness and light attitude prevails in the elementary level as no candidate aired any particular grievance.

Two of the elementary school board candidates are attorneys, Norman A. Stoner (Campbell) and Harrett Mannina (San Jose); one is an electrical engineer, Alexander Moisenco; one a general contractor, Howard Atkinson; one a super-market owner, James Avila and one a photographer-accountant, Bernard Barrett.

The voters in the district thus have a pretty wide choice of professions from which to choose, come election day.

—o—

We are venturing pretty far afield when we touch on state politics in this column but as the race for U. S. Senator and/or Governor warms up very few of us in this great state of ours will remain untouched.

The election for senator and governor apparently will have a considerable bearing on the next presidential election. Consequently even now the spotlight is focusing on the situation.

Robert C. Kirkwood, presently state controller, who hails from these parts, is the only avowed candidate to succeed Bill Knowland, who apparently has his eyes on both the governorship and the presidency.

Kirkwood seems to have picked up the tempo of news releases coming out of the controller's office (at least, we seem to be getting more stuff). But he seems to have a little trouble at times keeping his releases strictly to matters pertaining to the controller's office.

In a way, you hardly can blame the guy. We suggest, however, that he label the releases so that we know which of them pertain to politics and which pertain strictly to the controller's office, inasmuch as both kinds seem to be coming from the same office.

It would make our task easier when it comes to reading or not reading 'em.

LETTERS TO THE EDITOR...

"WITHERING" EDITORIAL

Editor, The Campbell Press

Sir:

Three cheers for your "withering" editorial, "It Is Pretty Frustrating." I am one of the Campbell residents toward which it was directed I'm afraid—and I'm so ashamed!

I somehow missed the previous issues of the Press and therefore knew nothing of the article about our city's needs—nor did I see the ballot you asked people to send in. For this, I am truly sorry, for I am one of those persons who have called upon the City Council in regards to a neighboring problem.

This problem was promptly acted upon by the Council—the excess gravel was removed from our street, and law enforcement signs erected. We have had the police patrolling promised us (not at the time of heavy traffic, however, and cars are still speeding), but we do appreciate what has been done, and we do realize the heavy load the police force is working under. We promised our support on increasing the budget, then "let you down" when you asked for our opinions on the ballot.

I feel more guilty of being "un-educated" however than of lacking interest or inertia and apathy as accused in your article. I was raised the daughter of a traveling salesman—lived in 40 of the 48 states. I was not "educated" in Civic pride or responsibilities—I never had a place to call 'home'.

Also, my husband and I are pretty new to this business of raising a family, paying taxes, doctor bills, etc., and it has taken all our attention and effort in order to keep our heads above water. In spite of a good job, we have difficulties making ends meet, and any proposed tax (other than for schools) scares us to death—even tho we can and do see the need. Therefore our seeming "lack of interest". Don't you suppose this is true of most of the new families in Campbell?

Did you ask for suggestions on the ballot? If so, may I offer one? Instead of raising $150.00 to bring the Chinese girls to our parade on Old Settlers Day, I'd much rather see that money go into recreational equipment for the children of Campbell. I suppose the parade brings money into Campbell, but I would feel more inclined to help on a campaign of this sort--for our youth.

(No, we are not in a position to give financial aid to a program like this, but, if possible, we probably **would** be willing to devote time and effort toward a park or playground similar to the one on Williow Street in San Jose.) I think the City would receive more support if matters like these were called to the attention of the public. I don't know what the parade does for Campbell in one day, but I'll bet the money spent would go a long way toward starting some sort of organized youth activity. Am I all wrong?

At least, your editorial has opened our eyes a little bit. Perhaps we will turn into helpful members of our city yet!

Sincerely,
MARGARET SCHANK
(Mr. and Mrs. Jack W. Schank)

Frosh-Soph Baseballers Lose Twice During Week

Coach Lou Marotti's Frosh-Soph baseball squad at Campbell High dropped two games last week. On Tuesday, Ayer took their measure by a score of 7 to 4. The locals were holding their own until a disastrous seventh inning cost them four runs. Whitewing and Dennis Petrea managed the two hits for the Bucs, both singles.

On Thursday, it took Los Altos eight innings to squeeze by 6 to 5 when Neff scored on a wild pitch after tripling. The Bucs improved their batting 100% however by garnering four hits all singles. They managed to boot the ball around for six errors.

GUBSER SUBMITS BILL

A "Piggyback" amendment attaching Santa Clara and San Benito Counties to the proposed San Luis project has been introduced in the House of Representatives by Congressman Charles S. Gubser (R-Gilroy). Gubser's bill is identical to bills introduced in the House and Senate by Senators Knowland and Kuchel and Representative B. F. Sisk (D-Fresno). but went a step furher in authorizing construction of a Santa Clara-San Benito unit.

Cherry Pie Festival
May 10

MMMMM, IT'S DELICIOUS . . . say three of the four unofficial cherry pie samplers as the clean up their plates and put their stamp of approval on Cherry Lane's Cherry Pie Festival scheduled for tomorrow night, May 10, at the school. Planning to continue their sampling at the festival are (left to right) David Thompson, Patty Thompson and Mike Handley. The canine gourmet belongs to Davi dand Patty.

Cherry Lane Plans Gay Time For Pie Festival

A gay evening of fun and relaxation for the whole family is in store for all those attending the Fourth Annual Cherry Pie Festival Friday, May 10, at Cherry Lane School. Festivities will begin at 5:30 p.m. with dinner being served until 7 p.m. and cherry pie and coffee available throughout the evening.

In addition to the featured Cherry Pie sale, there will be home-made candy, ice cream, popcorn, soft drinks and Swedish malts, as well as "White Elephants", plants and many attractive items for sale in the Women's Booth.

Door prizes will be awarded holders of winning dinner tickets, and many other valuable prizes donated by local merchants are awaiting lucky winners in the various game booths. New game booths have been added this year and others have been enlarged to accomodate more players.

Proceeds of the festival will go toward purchase of needed supplies for the school.

Student winners of the school poster contest to advertise the Festival were: Michael Smith, first place; Jimmy Harville, second place; and Mary Wolfe, third place.

Mrs. John Kay To Head Club

Mrs. John Kay will head St. Lucy's Women's Club when new officers are installed at the June meeting. She was elected after the nominating committee presented its slate of officers at last Thursday's meeting.

Other new officers to assume duties with her are: Mesdames Anthony Scionte, vice-president; H. R. Strickland, secretary; Norman Corvello, treasurer; B. W. Curtner, historian; and Michael Corrigan, mistress of ceremonies.

Mrs. Louis Bogner, retiring president, conducted the meeting during which plans were made for helping with St. Lucy's Parish Festival to be held June 2 and 3.

Double Ring Ceremony Unites Helen Stray and Richard Partello

The Congregational Church was the setting for the late afternoon wedding of Helen Frances Stray and Richard Alvey Partello on Easter Sunday, April 21. The candle-lighting double ring ceremony was performed by the Rev. Corwin Olds, pastor of the church.

For her wedding, the bride selected a ballerina-length gown of pastel blue nylon organza with pink and mauve rose print which featured a blue taffeta sash and bow and bouffant skirt. On her hair she wore a matching blue bandeau clipped with seed pearls and a short pastel blue veil. She carried a colonial bouquet of tiny elf roses and stephenotis and was escorted to the altar by her brother.

Helen is the daughter of the late Mr. and Mrs. Walter Hutchins Stray of Campbell and sister of George Stray of Chino. She attended Pomona College and is a graduate of the University of Southern California and for a number of years was employed in the Blind bureau of the County Welfare department. She is a member of the University Women's Club of San Jose and was active in the Country Woman's Club.

The groom is the son of Mrs. Alvey Partello of Santa Clara and the late Alvey Partello, and sister of Mrs. Arthur Aguilar. He attended Universities of Utah and Columbia and is a graduate of the University of Iowa. He is employed in San Jose.

Matron of honor was Mrs. Arthur Aguilar, who wore a pink chiffon and matching pink bandeau of flowers and carried a bouquet of pink carnations and elf roses.

Candlelighters were David and Michael Aguilar, nephews of the groom. Arthur Aguilar, brother-in-law of the groom, performed the duties of best man. Ushers were Edward A. Merrill, Frank Keck, Thomas Connell, Robert Rice and Philip D. Stray. Wilbur Cauch was organist.

Mrs. George Stray, who acted as mother of the bride for the ceremony, wore turquoise blue lace with lilac accessories. Mother of the groom chose a navy blue crepe and white accessories.

Following the ceremony, a reception was held in the Fireside room for 275 guests. Throughout the wedding and reception a rose motif was carried out in decor in memory of the bride's mother whose maiden name was Rose.

After cutting their four-tier wedding cake, the couple left on a honeymoon trip to Death Valley and Lake Tahoe. They are now at home at 1135 N. Third St., San Jose.

Former Campbell residents who returned for the wedding were:

Mesdames Alice Joy Keith of San Diego, Ray Betcher of Escalon, Gordon Ainsley of Los Gatos, Elsa Bogosian of San Francisco and Cora Eckles of San Jose.

Dr. Philip Robson of Atherton, Dr. and Mrs. George Robson of San Jose; Messers and Mesdames Alfred Chase (Rachel) of South Pasadena, Thomas Hillard of Pleasanton, Roy Johnson of ~~Salinas, C. E. Day~~ of Salinas, Kenneth Cooperrider of Menlo Park, Frank Gibson of Riverside, Watson Conner of Los Altos, Theodore A. Cutting of Los Altos, G. W. Robinson of Merced, and Albert Turner of Palo Alto.

Garden Club Crowns Member 'Queen of May'

Amid an appropriate May Day theme of roses and flower-filled baskets, and a flower-entwined May pole, Mrs. John Prolo conducted her first meeting as president of the Campbell Garden Club on May 1 and crowned Mrs. Eloise Parker "Queen of May" with a wreath of baby roses. The "queen's" name was drawn from a box containing all members names.

Rose decor was arranged by Mrs. Joe Stokes and wreath and May baskets was the work of Mrs. Joseph Aversente.

Guest speaker was Ed Carman, of Carman's Nursery, who discussed "Color in the Garden", and suggested the best types of plants to use for colorful border and graduated flower beds.

During the meeting Mrs. Prolo was named to attend the California state convention of garden clubs to be held at Monterey May 14 through 17, and the club made tentative plans for participation in the Old Settlers Celebration.

June meeting will be at the home of Mrs. John Jones, Sr., 1530 West Heights Road, Los Gatos. Members will leave from the clubhouse and transportation will be provided.

Spring Inspires Notice for Job's Mothers' Club

Spring, "busting out all over", has inspired Mrs. Thelma Andrews, secretary-treasurer of Job's Daughters, Bethel No. 174, to the following poetic announcement for the Mother's Club:

"Leave your calorie counter home,
Make your favorite dish and come along.
To 226 N. Cloverdale Lane
Where Violet Meron as hostess will reign.

The Mother's Club has declared a holiday
So we can get acquainted the old-fashioned way.
The date is May 14, so don't forget;
We promise a day you won't regret.

Get on your horse, gals and act alive.
Be there not later than 11:45
We hope each one of you to see
So call this number for R.S.V.P." FR 8-5071.

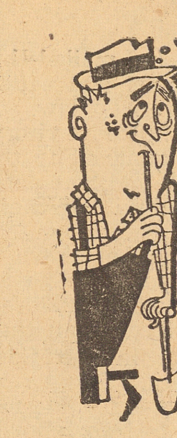
PLANNING ON PLANTING?

GARDENER'S CHECK LIST



By The California Association of Nurserymen

REMINDERS

1. Brown spots in lawn can be caused by improper watering, mowing too close, or lawn moths. The latter can be controlled by applying dieldrin or chlordane.
2. Spring flowering plants such as Weigelia and Spirea can be pruned as soon as they finish flowering.
3. A mulch of peat moss or weed free manure on flower beds and shrubbery borders will conserve water and discourage weed growth.
4. Don't tease your plants by light sprinklings—water deeply.
5. Still not too late to plant gladiolus bulbs.

Geraniums

That perennial-type joke about the Geranium (Pelargonium) which is said to grow to giant proportions in California is no exaggeration for Geraniums are outstanding garden plants in this state.

Geraniums are all, with a few exceptions, native of South Africa. There are three types that are valuable garden plants for California; they are the Common Garden or Zonal Geranium (Zonal refers to the dark zones or shadings on the leaves) known as Pelargonium hortorum; the Lady or Martha Washington Geranium (Pelargonium domesticum); and the Ivy Geranium (Pelargonium peltatum). There are hundreds of named varieties in the first two categories while the Ivy Geranium has at least 50 named varieties.

A fourth type of Geranium often planted in California gardens is the Scented Geranium which includes many varieties with interesting and fragrant foliage and attractive flowers.

Give Geraniums a sunny home unless you garden in a hot summer locale and there it is better to plant in a partly shaded area. Geraniums grow and bloom practically year 'round in the coastal areas of the state; in other areas they bloom and grow only in frost free months.

Geraniums will grow in a great variety of soils; in heavy soils the gardener may need to take steps to assure good drainage. Water newly planted Geraniums well until they become established and then water enough to keep the soil moist just below the surface for too much water may keep the plants from blooming freely.

Irrigation is the recommended method of watering. Prune all your Geraniums in spring except the Lady Washington types which should be pruned from late August to early October. In fog belt areas you can prune these varieties into November or later.

Prune off only one-third to one half of the stems at a time, the California Association of Nurserymen recommends. Cut back to the point at which you want new growth. Pruning will keep Geraniums under control and it promotes more branching with flowering tips and thus more flowers.

Feed your Geraniums at regular inervals . . . at the beginning of spring, midsummer and again in early fall.

PELARGONIUM

Geraniums can play several roles in California gardens. Lady Washington and Garden Geraniums in their bright colors are well suited for garden beds and borders, window boxes and pots. They can be trained to grow espalier-fashion against a well or trellis and even as standards (like tree roses). Ivy Geraniums serve well in mild climate areas as ground covers on banks and parkways and in the place of lawns. Ivy Geraniums can also be handsomely planted over walls, as fence covers, trained up trees, planted in hanging pots. Fancy-leaved and scented Geraniums make colorful and fragrant pot plants on low walls, in open porches, patios and other outdoor living areas.

Gifts For Mother's Day

Flowers are a traditional gift for Mother's Day but how nice it would be this year if you present your mother with a "living bouquet"—in the form of live Camellias, Roses or Azaleas for her garden.

Roses are probably the favorite flower of gardeners everywhere; and certainly they are the woman's favorite. The All America selections of 1957 and the established favorites in the Rose Kingdom are available now in containers, ready to be planted.

Camellias, once considered as collectors' items, are fast becoming popular garden items throughout California. The available selection of Camellias is large and it includes the japonica species, whose shrubs bear large, colorful and attractive blooms; the Sasanqua, which can be grown as a ground cover, espalier or shrub; and the Reticulata, introduced to California gardeners only within the last 10 years which features very large blooms of unusual colors. Camellias are available now at nurseries in attractive containers which can be their permanent home in an outdoor living room or patio; or they can be removed from the container and planted in the garden bed or specially prepared raised bed, says the California Association of Nurserymen.

Azaleas planted in mass are eye-catching in any type garden. They grow well in filtered shade such as under trees or large shrubs and they are attractive in tubs or boxes.

For your mother, select from these beautiful "living bouquets" or if you prefer, choose a Fuchsia, Lily or Begonia. Whatever your mother's favorite flower, your nurseryman will have it
